THE BENEFITS OF DOMINA FULL CASSETTE

- A sophisticated awning system with classical design integrates into all types of architectural structures with full cassette protection.
- Rotational pitch adjustment from 0 to 80 degrees of the cassette housing allows for optimal and convenient adjustment.
- Belt arm technology dramatically increases cycle count lifespan and durability of the system
- Easy, time saving installation with lighter weight design, variable mounting plate size option and reduced profile height.
- LED lights are available on all projections.
